

MOHAMMAD AMIN ASLAMI

SOFTWARE ENGINEER

SUMMARY

I hope work at your company will provide me an idea about my future studies and will be a crucial step for my future education in a graduate degree or in professional career.

My education life provided me with the infrastructure required for the position you opened. During my education, I improved myself in terms of research, self-motivation, entrepreneurship and acquiring different skills. I am aware that willing, diligent and careful work will definitely result in success. For this reason, I have no doubts that I can contribute to you with my talents and work discipline.

Thank you for giving a time. I wish to receive positive news from you soon.
